____ Purchasing a Pole ____ Purchasing a Flag and Pole

Llano Cemetery's Avenue of Flags is truly a personalized tribute to our Veterans.

It is our honor to invite your family to join in this special tribute to your Veteran by donating or purchasing a United States Government-Regulation Size Casket Flag and Pole. Each Memorial Day Weekend at Llano Cemetery, these donated Flags will be raised in specially designated areas. Each Flag Pole will bear a metal tag with the name of the Veteran, their rank and branch of service along with their birth and death dates. Maps of Flag locations will be provided each year so that family and friends can easily locate a specific Veteran's Flag. This program is open to all families, regardless of where the Veteran is buried. Your only expense is the purchase of a Flag Pole, which also covers the perpetual care of your Flag. You may donate the actual Flag you received from the Military or retain it and purchase a duplicate Flag to fly on the grounds.
